

CLOTHING & EQUIPMENT REGULATIONS

A) INTRODUCTION

The objectives which BCCI seeks to achieve through these Clothing and Equipment Regulations (“Regulations”) are:

- A. to ensure a consistent approach and to treat all franchises equally;
- B. to ensure professional and appropriate standards of appearance of players and support staff;
- C. to protect the sponsorship rights of the league central sponsors and of franchises (including from ambush marketing);
- D. to allow an opportunity for players to obtain some revenue from controlled bat advertising; and
- E. to prohibit advertising connected with betting and/or gaming.

All franchises, players and the respective manufacturers of Cricket Clothing and Cricket Equipment used in the league must adhere to these Regulations, which apply to all Matches (including all friendly matches played by the franchises). Any clothing or equipment that does not comply with these Regulations is strictly prohibited. For the avoidance of doubt, a franchise may find itself in breach of these Regulations in circumstances where it issues equipment or clothing to a player or support staff that does not comply with the terms of these Regulations.

Appendix 2 sets out the disciplinary process for breaches of these Regulations. In addition, where any Match Official becomes aware of any clothing or equipment that does not comply with these Regulations, he shall be authorised to prevent the offending person from taking the field of play (or to order him from the field of play, if appropriate) until the non-compliant clothing or equipment is removed or appropriately covered up.

There shall be no requirement for the Match Official to provide a warning before a breach of these Regulations is established.

C) GENERAL

C.1 Each franchise is entitled to determine the design for its Team Clothing, subject to compliance with these Regulations and approval by BCCI. Franchises should minimise the use of the colours white or cream in its Playing Clothing and Equipment – so as to provide a contrast to the colour of the cricket ball.

C.2 The colours, Logos and design of the Playing Shirts, Playing Sweaters, Playing Headwear and Playing Trousers shall be uniform to all members of the team. An exception to this is that Playing Shirt sleeves may be cut to any length, as long as both sleeves are evenly trimmed and the edges are sewn and hemmed.

C.3 Each franchise will be permitted to use a maximum of three different designs of Playing Clothing during each season. Each design needs to be approved by the BCCI. The Logos on each such design must be identical (design, position and size). The only variation is applicable in the case of the Commercial Logos, the details of which are mentioned in section D.4 of this document. Player jersey numbers should also remain the same. However, subject to BCCI approval, a player may change the number on the jersey.

C.4 During each Match, all players of each team must wear Playing Clothing whilst on the field of play. All members of the playing squad and support staff should wear Playing Clothing or Practice Clothing within the stadiums on match days.

C.5 Players and support staff attending post-match presentation ceremonies, press conferences and television interviews conducted before, during or after the Match must be in Playing Clothing or Practice Clothing (excluding vests and shorts) including shoes. Players attending the toss must be in Playing Clothing.

C.6 Players shall not be permitted to wear, display or otherwise convey Personal Messages through arm bands or other markings on the clothing or equipment, unless approved in advance by the player's franchise and the BCCI. Approval shall not be granted for messages which relate to political, religious

or racial activities or causes. BCCI shall have the final say in determining whether any such Personal Message is approved.

C.7 Visible tattoos (permanent or temporary) which incorporate any Commercial Logo or Manufacturer's Identification shall not be permitted.

C.8 Player Identification and Logos must be sewn on, fixed by heat transfer or sublimated onto Cricket Clothing and Cricket Equipment as appropriate. They may not be affixed by velcro or other temporary methods. In cases where it is not possible to exactly reproduce the Logos to a uniform size

(e.g., sublimation), the Manufacturer must take account of the level of variance so that all Logos come within the maximum size restrictions set out in these Regulations.

C.9 It shall be prohibited under these Regulations for any individual to wear any clothing or use any equipment that has been changed, altered or transformed (whether to comply with these Regulations or otherwise) in any way that, in the opinion of any Match Official, undermines the professional standards that are required of all elite players. For example, and without limitation, it shall be prohibited to cover up or alter the appearance of clothing and equipment with sticking plaster or marker pens and/or to wear batting pads painted with a coloured paint that has faded or is flaking off.

C.10 Champions Emblem

The champions emblem may only be worn by previous champions. The number of champions emblems displayed shall signify the number of times the team has won the IPL (i.e. if team has won the IPL twice, it shall display the champions emblem twice). The emblem is to be placed in position N (above position C), as indicated in Diagram C, section F.

Please note that the franchises are permitted to showcase the champions emblem in any one of their team colours as defined in their respective brand guidelines.

The champions emblem file will be provided to the franchises by BCCI in .EPS format. Please refer to the IPL Brand Guidelines further details regarding usage of the champions emblem on the Playing Clothing.

C.11 Replica Clothing must not display any Logos that differ to those on the Playing Clothing. It can display either all or some of the Logos as they are, in terms of design, size and location, on the Playing Clothing.

C.12 Clothing and Equipment Approval

The designs of each item of Team Clothing along with batting and wicket keeping pads must be sent to BCCI for approval no later than 24 February 2022. The designs can be digital or printed and must show exact dimensions of each Logo on the clothing.

Any delay to this deadline will result in a fine that will be taken from central revenues as below:

- 1 –7 days delay: INR 10 Lakhs
- 8 –14 days delay: INR 15 Lakhs
- 15 –21 days delay: INR 25 Lakhs

A sample of each piece of finalised Team Clothing along with batting and wicket keeping pads must be sent to BCCI for approval no later than 3 March 2022. Any delay to this deadline will result in a fine that will be taken from central revenue as below:

- 1 –7 days delay: INR 10 Lakhs
- 8 –14 days delay: INR 15 Lakhs
- 15 –21 days delay: INR 25 Lakhs

In the event that commercial arrangements are still being finalized and therefore that not all Commercial Logos are known, the respective positions should be marked with the maximum Logo size for applicable open position.

Once approved no item of Team Clothing may be changed in any respect, save for the addition of any Commercial Logos which were open at the time of the approval (as long as these Logos are subsequently approved by BCCI and fit within the maximum prescribed areas).

Each franchise must supply any item of any specific player's Team Clothing (whether the player is in the playing XI or not), if so requested by the BCCI

sponsor servicing team before or after any Match – so that the clothing may be checked for full compliance with these Regulations. BCCI has the right to insist that any areas which do not comply with these Regulations be covered during Matches until the irregularities are resolved.

Notwithstanding any approval granted by BCCI in respect of any Team Clothing, no liability shall accrue to the BCCI towards any infringement claims or ownership disputes concerning the use of Logos by any team and it is the obligation and responsibility of each team to ensure that the use of any Logo in any Team Clothing is in compliance with law.

If they are in any doubt whether other items of clothing or equipment comply with these Regulations, franchises, players and Manufacturers may submit such other items for BCCI approval in advance of using such items in Matches. BCCI reserves the right to check any such items before, during or after Matches.

Only one Manufacturer may be identified on each article of Cricket Clothing.

The two brands must be in the same business category and be part of the same group company. For any playoff Matches in which the franchise team plays, the franchise may display all the Logos as visible on the Playing Shirts worn by the players either for home or for away matches. There cannot be a mix of Logos from both Playing Shirts. The choice must be communicated to the BCCI by the 15 March 2022.

The two rectangles must be stacked in such a way that they are neither separated nor overlapping. BCCI has the final right of approval on any Logo sizing.

As a last resort immediately before or during a Match, if any Logo is found by BCCI to exceed the maximum sizes set out in these Regulations, BCCI reserves the right to have the offending Logo area taped up, so that the Logo complies with the Regulations.

These may only be resized in scale (i.e. produced in the sizes given but their proportions should not be altered).

1.1 Any one of the following individuals can report an alleged offence under the Regulations by lodging a report in the manner described in Article 1.2 below (a 'Report'):

1.1.1. any Umpire officiating in a Match;

1.1.2 any Match Referee officiating in a Match; or

1.1.3 GM, BCCI Operations

1.2 A Report must be lodged by way of an e-mail to the IPL Chief Operations Officer. All Reports must (a) clearly identify the person lodging the Report; (b) identify the relevant Match in which the breach was alleged to have been committed; and (c) identify the franchise or the individual, whether that be a player or support staff, who is alleged to have committed the offence.

1.3 All Reports must be lodged with the IPL Chief Operations Officer within 24 hours of the conclusion of the relevant Match unless unforeseen and unavoidable circumstances render this impractical.

1.4 Where a player, support staff or franchise is alleged to have committed more than one breach of the Regulations during a Match (whether arising out of the same set of facts or otherwise), then a separate Report should be filed in accordance with

this Article 1 for each of the breaches that are alleged to have been committed.

ARTICLE 2 – NOTIFICATION PROCEDURE

2.1 Where the IPL Chief Operations Officer receives a Report, he will promptly conduct a review within 24 hours of receipt to determine whether the player, support staff or franchise named in the Report has a case to answer.

2.2 If the initial review of the Report reveals that there is no case to answer, then the IPL Chief Operations Officer shall notify the person who filed the Report of that fact, and the matter shall not proceed any further.

2.3 If the initial review of the Report reveals that there is a case to answer, then the GM Operations, BCCI shall within the next 24 hours provide a copy of the Report, together with copies of the photographic/video snapshot evidence supporting the Report and the Notice of Charge form to the following individuals including the proposed sanction to be imposed on the player, support staff or franchise (as appropriate):

2.3.1 the player or support staff named in the Report (where relevant);

2.3.2 the Team Manager of the relevant player or support staff named in the Report (where relevant);

2.3.3 the CEO of the franchise (or his/her designee) to which the relevant player or Support staff is affiliated, or, in the case of a breach by the franchise itself, the CEO of the relevant franchise (or his/her designee); and

2.4 The Notice of Charge shall specify that the player, support staff or franchise (as relevant) shall have the following options which must be exercised through notice to the IPL Chief Operations Officer within 24 hours of receipt by the player, support staff or franchise of the Notice of Charge:

2.4.1 he/it may admit the offence charged and accede to the sanction proposed in the Notice of Charge (which sanction shall be of the sanctions set out in Article 4), in which case adjudication shall not be required and no further action shall be taken save for enforcement of the sanction; or

2.4.2 he/it may admit the offence charged but dispute the sanction proposed in the Notice of Charge, in which case the matter shall proceed to adjudication in accordance with Article 3; or

2.4.3 he/it may deny the offence charged, in which case, the matter shall proceed to adjudication in accordance with Article 3.

2.5 Where the player, support staff or franchise either disputes the sanction proposed under Article 2.4.2, or denies the offence charged under Article 2.4.3, his/its response to the Notice of Charge must be supported by a written statement, in English, explaining why the player, support staff or franchise does not accept the proposed sanction or admit the offence (as appropriate). He/It should include with this written statement, any documentary evidence that he/it wishes to rely on in support of his/its argument.

ARTICLE 3 – THE DISCIPLINARY PROCEDURE

3.1 Where a matter proceeds to adjudication under Article 2.4.2 or 2.4.3, then the case shall be referred to the BCCI Chief Executive Officer who shall decide the matter solely on the basis of the Notice of Charge and any written statement filed by the player, support staff or franchise (as appropriate) in accordance with Article 2.5. The BCCI Chief Executive Officer shall not hold an oral hearing. However, should the BCCI Chief Executive Officer consider that further information is necessary to allow him to make his decision, he shall be entitled to obtain such further information

before making his decision, and where requested, the relevant player, support staff or franchise (as appropriate) shall assist him in this regard. In considering the matter, the BCCI Chief Executive Officer shall be entitled to consult with the BCCI legal department.

3.2 Save in exceptional circumstances, the BCCI Chief Executive Officer shall notify his written reasoned decision, setting out: (a) the finding as to whether an offence under the Regulations has been committed; (b) the sanction, if any, to be imposed (in accordance with Article 4); (c) details of which Match or Matches any suspension is to be applied to; and (d) any right of appeal that exists pursuant to Article 5, within 48 hours of receipt of the full response to the Notice of Charge. A copy of the decision shall be sent to the CEO of the player or support staff's franchise (or his/her designee) and the GM Operations, BCCI.

3.3 Subject only to the rights of appeal under Article 5, the BCCI Chief Executive Officer decision shall be the full, final and complete disposition of the matter and will be binding on all parties.

ARTICLE 4 – SANCTIONS

4.1 Where the player, support staff or franchise (as appropriate) admit the offence and accede to the sanction proposed in a Notice of Charge in accordance with Article 2.4.1 then the sanction imposed shall be as set out in such Notice of Charge.

4.2 Where a matter comes before the GM Operations BCCI in accordance with either Article 2.4.2 or 2.4.3, and he/she determines that an offence under these Regulations has been committed, he/she will be required to impose an appropriate sanction on the player, support staff or franchise (as appropriate).

4.3 In order to determine the sanction that is to be imposed in each case, the GM Operations, BCCI or the BCCI Chief Executive Officer (as appropriate) must first consider whether the player, support staff or franchise (as appropriate) has previously been found guilty of an offence in the same category under the Regulations (or any predecessor regulations) in any Matches since the start of the IPL season in the preceding calendar year (together the "Previous Sanction Period") prior to the Match on which the alleged offence took place.

NOTE: For example, if a player is found to have breached these Regulations in respect of a Commercial Logo, he shall only be considered to have committed a repeat offence if, in the Previous Sanction Period, he was found guilty of a breach of these Regulations in relation to any Commercial Logo. If the previous breach had related, for example, to a Manufacturer's Logo, it would not count as a repeat offence for the purposes of this Article 4.3.

4.4 Once the GM Operations, BCCI or BCCI Chief Executive Officer (as appropriate) has established whether this is a repeat offence within the relevant twelve month period, then he/she shall go on to take into account any other factors that he/she deems relevant and appropriate to the mitigation or aggravation of the nature of the offence (including, without limitation, the nature and frequency of any previous offences under the Regulations) before determining, in accordance with the following table, what the appropriate sanction should be.

NOTE: For the purposes of this Appendix 2, Match Fee means the League Fee (in relation to players and as defined in the Player Contract) or salary/other remuneration (in relation to Support Staff) payable to him/her in respect of the relevant season/year (as appropriate) divided by 14.

4.5 Where a player or support staff has been suspended for a specific number of Matches, the suspension will be applied in accordance with the following principles:

4.5.1 In imposing any suspension of any number of Matches on a player or support staff, the IPL GM operations, BCCI or the BCCI Chief Executive Officer shall select the Matches which are the most proximate (i.e., nearest in time) to the date on which the decision to suspend the player or support staff is made (the “Suspension Date”). However, where selecting the most proximate Match(es) would result in the suspension being applied in relation to a Match in which the Player would not participate or would, at the Suspension Date, not be likely to participate in each case as a result of the Player being involved in International Duty then the GM Operations BCCI or the BCCI Chief Executive Officer shall in imposing the suspension choose the next most proximate Match(es).

4.5.2 If a Match for which a Player or Support staff has been suspended is cancelled, postponed or otherwise abandoned prior to the commencement of such Match (being the bowling of the first ball) then the Match shall not be deemed to have formed part of the suspension and the most proximate next Match shall (subject, in the case of a Player, to the same exception and procedure as described in the preceding paragraph for any Match in which such Player is unable or is not likely to be able to participate as a result of International Duty) be deemed to be a Match to which the suspension applies. If a Match for which a Player or support staff is suspended commences (i.e. the first ball is bowled) then that Match shall count as one of the number of Matches which is the subject of the suspension whether such Match is completed or not.

4.5.3 The following examples (included for illustrative purposes only) have been included to seek to assist the GM Operations, BCCI or the BCCI Chief Executive Officer in applying suspensions under the Regulations but shall not bind them.

Example 1

Situation: Player A is suspended for 4 Matches. The franchise for which the player has played in the relevant season has two further Matches in the season and has not qualified for the playoff Matches. The Player is expected to be unavailable for the first six Matches of the team in the following season by reason of International Duty.

Suspension: Player A is suspended from playing in the two remaining Matches in the current season and the seventh and eighth Matches of the franchise in the next season. If Player A moves to another franchise for the next season, he would be suspended for the seventh and eighth Matches of his new team in the next season.

Example 2

Situation: Player B is suspended for 5 Matches. The franchise for which the player has played in the relevant calendar year (a) has one Match remaining in the league and (b) qualifies for the playoff

Matches as a result of its performance in that one remaining Match in the league and (c) is eliminated after one playoff Match. The Player is not affected by International Duty in relation to either the remaining Matches in that season or the following season.

Suspension: Player B is suspended for his franchise's one remaining Match in the league, the one playoff Match featuring his franchise and the first three Matches of the following season featuring his franchise.

4.6 Where a fine is imposed against a player or support staff, then such fine must be paid: (a) by the player or support staff (and not any third party, including the franchise); (b) to the player or support staff's franchise (for onward transmission to BCCI) within one calendar month of receipt of the decision imposing the fine. However, BCCI will consider any request from any player or support staff to make payment of such fines over a prolonged period of time on the grounds of financial hardship. Should any fine (or agreed part-payment or instalment thereof) not be paid to the relevant franchise within such deadline or by the time of the next agreed payment date, the player or support staff may not play, coach or otherwise be involved in any capacity in any Match until such payment has been satisfied in full.

4.7 Where a player or support staff has had a suspension imposed against him/her, he/she may not play, coach or otherwise participate or be involved in any capacity in the Match(es) which are covered by the application of his suspension as determined in accordance with Article 4.5.

NOTE: For the avoidance of any doubt, a player who has had a suspension imposed against him shall not, during the Matches which are covered by his suspension:

- a) be nominated as, or carry out any of the duties or responsibilities of, a substitute fielder; or
- b) enter any part of the playing area (which shall include, for the avoidance of doubt, the field of play and the area between the boundary and perimeter boards) at any time, including during any scheduled or unscheduled breaks in play.

In addition, a support staff so sanctioned shall not be permitted to enter the player's dressing room (including the viewing areas) during any Match covered by his suspension. Players so sanctioned, however, will be permitted to enter the players' dressing room provided that the players' dressing room (or any part thereof) for the relevant Match is not within the player area described in (b) above (for example, no such player shall be permitted access to an on-field 'dug-out').

Finally, any player or support staff so sanctioned shall not be prevented from attending any post-match ceremonies or presentations taking place anywhere on the field of play or otherwise following the conclusion of any Match covered by his/her suspension.

4.8 Once any suspension has expired, the player or support staff will automatically become re-eligible to participate in Matches provided that he/she has paid, in full, all amounts forfeited under these Regulations, including any fines that may have been imposed against him/her.

ARTICLE 5 – APPEALS

5.1 Appeals from decisions in relation to which a reprimand and/or fine is imposed.

5.1.1 Decisions made under these Regulations by the BCCI Chief Executive Officer in relation to which a reprimand and/or fine is imposed shall be non-appealable and shall remain the full and final decision in relation to the matter.

5.2 Appeals may only be made from decisions in relation to which a suspension is imposed.

5.2.1 Decisions made by the BCCI Chief Executive Officer in relation to which a suspension is imposed may be challenged solely by appeal as set out in this Article 5.2. Such decision shall remain in effect while under appeal unless the BCCI Honorary Secretary properly convened to hear the appeal orders otherwise.

5.2.2 The only parties who may appeal a decision of this nature shall be the player, or support staff found guilty of an offence under these Regulations.

5.2.3 Any notice to appeal under this Article must be lodged with the BCCI Honorary Secretary within 24 hours of receipt of the written decision of the BCCI Chief Executive Officer (the "Notice of Appeal"). In cases where a player or support staff files a Notice of Appeal, a copy of such notice will also be provided to the CEO of the franchise (or his/her designee) to which the player or support staff is affiliated. The Notice of Appeal shall include a written statement setting out, in detail, the grounds for appeal of the decision, together with any documents on which the player or support staff wishes to rely in support of the appeal.

5.2.4 Thereafter, the BCCI Honorary Secretary shall decide the matter solely on the basis of the Notice of Appeal and supporting documents, and the original Notice of Charge. The BCCI Honorary Secretary shall not hold an oral hearing. However, should the BCCI Honorary Secretary consider that further information is necessary to allow him to make his decision, he shall be entitled to obtain such further information before making his decision, and where requested, the relevant player or support staff shall assist him in that regard. In considering the matter, the BCCI Honorary Secretary shall be entitled to consult with the BCCI legal department.

5.2.5 Save in exceptional circumstances, the BCCI Honorary Secretary shall notify his written reasoned decision, setting out: (a) the finding as to whether an offence under the Regulations has been committed; (b) the sanction, if any, to be imposed (in accordance Article 4); and (c) details of which Match or Matches any suspension is to be applied to, within 48 hours of receipt of the receipt of the Notice of Appeal. A copy of the decision shall be sent to the CEO of the player or support staff's franchise (or his/her designee) and the GM Operations, BCCI.

5.2.6 Any decision made by the BCCI Honorary Secretary under this Article 5.2 shall be the full, final and complete disposition of the matter and will be binding on all parties.

5.3 No appeal in relation to an accepted sanction.

5.3.1 For the avoidance of doubt, where a player, support staff or franchise admits the offence charged and accedes to the sanction specified in the Notice of Charge in accordance with the procedure described in Article 2.4.1, the player, support staff or franchise waives his/her/its right to any appeal against the imposition of such a sanction.

ARTICLE 6 – GOVERNING LAW

6.1 These Regulations are governed by and shall be construed in accordance with Indian law. Strictly without prejudice to the provisions relating to Dispute Resolution at Articles 3 and 5 of the

Regulations, all disputes pertaining to the Regulations shall be subject to the exclusive jurisdiction of the Courts in Mumbai, India.
